

BATO Toolcase "Small". Textile.

Practical sturdy tool bag in heavy polyester, reinforced stitches around the edges and on all pockets. Inside, the bag is divided into two large rooms, where there is in each room additional dividing space for various tools. Outside, there is also a good possibility of storing the tool with four smaller front pockets, two spacious pockets at each end with a practical metal hanger on the right side of the bag. The back piece is equipped with two smaller and one large space. Fixed hanger with foam handle and detachable support frame gives the user the best prerequisites for transporting the tool. Outside dimensions: Height with handle 26cm. Length 40cm. Width 22.5cm

Weight: 1,441 kg.
