

### Wiss multi scissors 5 in 1. The scissor that just cut everything

Great for cutting. Sheet metal (low carbon rolled steel up to 20 gauge), plastics, vinyl, carpet, gutters, cardboard, paper, screen, wire mesh, hose, roof shingles, wallpaper, cloth, leather, and much more. Blade design includes a twine cutter, wire cutter, bottle opener, and wire bending holes for added versatility. 3" blade for making long cuts in a wide range of materials. Serrated blade helps hold material firmly for better cutting. Compound action design delivers 1.5x the cutting power of traditional design for less effort during cutting. Nickel chrome blades to resist rust and corrosion. Spring loaded for fast opening. Quick-release lock for easy one-hand operation. Non-slip grips provide added comfort and durability. Hang hole for easy storage.

Weight: 0,476 kg.
